

What is this world coming to? now businesses are telling us what to do. Yes this is the land of the free, but it seems like we are being ruled by dictators who tell what we are to do. I am getting so mad at other people running my life, I WANT MY PRIVACY AND NOT BEING CALLED ALL HOURS OF THE NIGHT!! HOW WOULD THOSE PEOPLE LIKE TO CALL THEM ALL DAY & NIGHT TRYING TO SELL THEM STUFF THAT THEY DON'T GIVE A RATS ASS ABOUT. In ONE HOUR I receive at least 8 CALLS. Let's KICK THEIR BUTTS and tell them to call someone that really doesn't have a life --- I WANT MY NAME ON THE NO CALL LIST THAT IS MY RIGHT AS A U.S. CITIZEN!!!!!! I am referring to CG DOCKET NO. 02-278.
